

## **THE MONSTER TRUCKS ARE COMING to New Zealand!!!**

**LIMITED SPONSORSHIP AVAILABLE**

*Hello*

First things, hi thank you for taking the time to read our brief proposal.

***Is your company looking for new opportunities with awesome results?***

***Do you need more popularity?***

***Do you want to get your business out there?***

Opportunities have risen, there are Six Super Monster Trucks coming to tour the North and South Island in 2006. They are currently looking for sponsors, to enable them to complete a full tour.

We are bringing Ground Hog Monster Truck Racing to New Zealand. They're stronger they're faster and they jump higher better than you have ever seen before.

We are going to most towns and cities throughout New Zealand. We have some sponsorship. Your business can be seen, would you like to go on one of the monster trucks? Your sponsorship will be seen from babies to grannies. No matter how big or small your promotional sign is, it will be seen.

We expect to get around 2,500 people in the small towns, 4,500-7,000 in the cities and up to 14,000 in the major cities.

The program that will be presented will be exciting, appealing and interesting to all ages.

I understand that your budget for this year has been used, would you consider it for next year's budget

In the mean time as we talk about some tshirts, caps, overalls and some product.  
may we also be able to hand out posters, etc.

Also i have the prices for the signage for the truck enclose in Email a long with the some photos of the truck at a show on the weekend these sign i had made out of card so i could show you how great the truck looks with Your name on.

E-mail me if you would like more information:

*Yours faithfully,*
